# Faculty Survey of Student Engagement 2012

The Faculty Survey of Student Engagement is a project coordinated by the [Center for Postsecondary Research](#) at Indiana University Bloomington.

We cordially invite you to participate in the 2012 Faculty Survey of Student Engagement (FSSE). The survey takes about 15-20 minutes to complete. It is designed to measure faculty expectations regarding the extent to which students at your institution engage in educational practices empirically linked to high levels of learning and development. The information you and other faculty members on your campus provide will help identify areas of strength and improvement, as well as lead to constructive discussions related to teaching, learning, and the quality of your students' educational experience.

Your responses will be confidential and anonymous to your institution. All reporting will be done in the aggregate to protect your privacy. At the end of the survey you can provide feedback about the nature of the questions and related topics that will help us improve the instrument.

Your participation in this study is voluntary and you may refuse to participate without penalty.

If you have technical problems completing the survey, please e-mail [help@fsse.org](mailto:help@fsse.org) or call 1-877-295-3064. If you have questions about the study, please contact Thomas Nelson Laird by [e-mail](#) or by phone (812-856-5824).

If you feel you have not been treated according to the descriptions in this form, or your rights as a participant in research have not been honored during the course of this project, you may contact the IU Human Subjects Office at 317-278-3458 (for Indianapolis) or 812-856-4242 (for Bloomington) or 800-696-2949.

I agree, proceed

I do not wish to participate
